## COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The article pertaining to discount on taxes will be in the Town Meeting Warrant again this year with no recommendation from either the selectmen or budget committee attached.

We have found the cost to the town is considerably more than interest on borrowed money would be for the short time we would have to have the funds. In 1972 discounts amounted to some in excess of \$5000.00. Our interest rate for tax anticipation money needed in 1973 is 2.4%.

The discounts have prompted taxpayers to pay approximately \$200,000 prior to Sept. 1. This \$200,000 borrowed at the 2.4% interest rate would cost us \$400 per month. We would have to plan on using the money four months at a total cost of \$1,600. This figure has to be compared to the \$5,000 cost of discounts.

The town office will be open Feb. 19, Washington's birthday, as the State Automobile Registration Offices will also be open.

The last Saturday of February we will be in the office from 9:00 a. m. until 12 noon for the convenience of those who must pay their exercise taxes.

Elwyn Dickey

**CARNIVAL QUEEN** — Miss Teri Lea Mason, above, was winner of the annual Bethel Winter Carnival Queen Contest and was crowned at the coronation program last Friday evening in Bingham Auditorium. Miss Mason is the daughter of Mr. and Mrs. Charles Mason Jr.

## WINTER CARNIVAL WAS COMPLETE SUCCESS

The Annual Bethel Winter Carnival was counted a complete success according to Mrs. Norma Jodrey, general chairman of the event.

The week end long carnival began Friday evening with the Shaw Brothers entertaining a full house at Bingham Auditorium and acting as masters of ceremonies for the Queen Contest. The six contestants in the contest all looked lovely and displayed considerable talent and the judges had difficulty in deciding the winner. Finally Rick and Ron Shaw announced that Miss Teri Lea Mason of Northwest Bethel had been chosen 1973 Carnival Queen with Miss Jane Baker of Sunday River her runner up. The new queen was crowned by the 1972 Carnival Queen, Miss Betty House.

The carnival continued on Saturday with a cross county ski tour from Sunday River Inn to the Art's Covered Bridge with refreshments at the bridge. The tour was attended by six families who all thoroughly enjoyed the activity.

The Snow Twisters snowmobile parade and trail ride had 110 machines participating. A good crowd was on hand up and down Main Street to witness the parade.

Skating at the Crescent Park rink was enjoyed by many families Saturday evening and served as the perfect end to a busy day.

The snowshoe races held on the Gould Academy athletic field were greatly enjoyed by participants and spectators alike. The addition of two sleigh races at the Sunday afternoon snowshoe races made many friends among the town's younger residents. The Chamber is deeply indebted to Dick Douglas for the work he put into renting the pony track and to his ponies, Dot and Bud for providing the perfect end to the carnival weekend.

Young men returned home Saturday from Randolph Community Hospital.

## SECOND ANNUAL SNOWSHOE RACES ARE SUCCESS

The second annual snowshoe races, part of the Bethel Winter Carnival, sponsored by the Chamber of Commerce was a huge success. Held on Gould Academy's athletic field Sunday afternoon under nippy conditions, the competition was close, with four teams represented.

The Gould faculty champions of 1972 were defeated by the Bethel Painters, namely Dennis Wheeler, Donald Luxton, Greg Spangenberg and Keith Bartlett.

The competition consisted of 50, 75, and 100 yard dashes, an obstacle race and finally a relay race involving all team members.

In the free for all races, Chuck Hurd and Jeff Bartlett were dead-head winners. In a race of "first timers" on snowshoes Bev Gasser won the ladies dash.

## GREENWOOD CITY

— Mrs. Collie Morgan, Corres. —

It is mid February, the time that most of us get winter-weary. But I have watched the sun and it is noticeably swinging north. A few warm days make us look and hope for the coming of the red wing black bird or the robin. We would like to forget February and bring in spring but down in our hearts we know we aren't going to get it—not yet.

Standing in the road I looked across the pond to where the morning sun-fire was rekindling itself at the base of the trees. Soon all trees were enveloped. The needles of the pines, how they shone with the light coursing up and down them!

Treading cautiously, I went down the bank of the road to the pond. Just at the left stood a few stick-tights, the barbed seed plant, which so cleverly fulfills its destiny in making one's clothes a means of conveyance, so wayfarers detest them.

Then I crossed to the far shore. At times the ice thundered like a cannon, far off, which I have heard it do so many times.

The same dour and ponderous boulder with wrinkled visage soberly huddled beneath the trees where I often enter the forest. It did not seem pleased with its surroundings or with what it saw. At its right a pile of dissected cones on an old stump showed where a squirrel had been feeding.

A nuthatch and several chickadees flew above the forest floor.

A trail of tiny foot prints had crossed the pond and entered the forest here. The coon had enjoyed his evening out and I wondered if he were the same that came to my window bird-feeder a few evenings before. I saw him there took my flashlight and went out. He dropped to the ground with the small hanging feeder and the small bag in his paws. But at my appearance he left both and went beyond the garage. Sometime near midnight I heard him again but this time there were no snot bags. I'm sure he enjoyed the bread I had left instead.

In the south a few billowing clouds showed above the hills and in the distance, I could hear the falls of the mountain brook. Going among the beeches, I crossed the white crusty carpet to a place where I enjoyed the brook, the pool, and the falls. I sometimes wonder why this water-fall always fascinates me. I know other larger ones. Maybe it is because I wonder just how long it will be before it fades to nothing; its mission done; sinking back into the forest which so patiently waits. Perhaps I should just accept the fact without a why. Some things should not be analyzed. The morning sun was just right for a few pictures.

The rainbow arch following the upper ice where icicles hung, will forever be my own.

The clear, brimming, little pool, at the foot of the hills was pebbly and sandy so that I could detect how deep it was. The little creek was gliding clear and beautiful through trees with spongy rootlets, on, to the pond.

Above the waterfall, the summer scene raced through my mind for I have followed this brook several times. I could visualize, clearly.

## ANDOVER FIREMEN CHOOSE FIRE CHIEF FOR COMING YEAR

On January 5, 1973, the members of the Andover Fire Department held a meeting for the purpose of choosing the fire chief they wanted to work under for the coming year.

We, as firemen feel it is our duty to inform you as voters of the town of Andover that the fire chief should be elected on qualifications and not by popularity. We also feel that we should have a voice in the upcoming election. The only voice we can have at present is an election at the fire station to present to you, the voters, our choice for fire chief. The firemen urge your support.

We, as members of the Andover Fire Department, present R. DONALD FRENCH as our choice for Fire Chief in the March 1973 election.

## Letters to the Editor

To the Editor:

No More Donations for Bethel Headstart

Oxford County has \$54,000.00 to divide equally among Norway, Fryeburg, Dixfield and Bethel to operate Headstart Centers.

Just about a year ago when I was representing the Bethel Center at Policy Council meetings, I was told that we would have to raise \$1,000.00 in each of the four areas by August 1972 if we wanted to keep our Program. Otherwise one center would have to close. All money that was raised was to be put in a County Wide Fund, and to be used where needed.

Myself, along with two others who represented the Bethel Area did everything possible to raise this amount of money so we could keep the center operating another year. We worked long hard hours on different projects, such as rummage sales, food sales, and raffles. We also typed up 150 letters and mailed to all businesses, merchants, clubs, and organizations requesting donations. We never raised the \$1,000.00.

However, the money that was raised was never put into the county fund. I didn't feel that money raised in Bethel should be used in one of the other Centers. How would you Bethel People feel about the money you donated being used in some other town?

I have gone over the Headstart Budget for 1972-1973, and I do not see any reason why the Bethel Center should have to raise any money to keep the program functioning.

As I said before, we never raised the \$1,000.00, yet all four Headstart Centers are still operating. If they could operate without this money, why were we told it had to be raised?

There has been a great deal of talk and criticism about the money that was raised. Along with the talk and criticism there has been accusations made that the money has been used for something besides Headstart.

I would like to take this opportunity to thank each and everyone that gave so generously to the Bethel Headstart Program last year. All I want you all to know that the money has not been spent, but is in a local bank. IT WILL BE USED IN THE BETHEL AREA ONLY!!!

Despite my involvement in the Headstart Program, I feel many generous efforts have been in vain. Due to poor management and misallocation of funds, I further believe that for the Program to function properly, a thorough audit and review should be carried out. Then all concerned will have a full knowledge of how Headstart operates.

The Headstart Program is funded by your dollars and mine. WE HAVE A RIGHT TO KNOW.

Dear Editor and Citizens of Bethel:

Running for an office in a local government can be quite a complex affair. It calls for careful consideration of the various interests and grievances the public may have. And this can be very difficult if the candidate is ignorant of these interests. I have since asked myself, "Is it the public that needs to be informed or is the people at the Town Office?" Hopefully the answer is "It's a two-way street."

Those people that realize that may benefit greatly. Those that don't may remain content or problemed, depending on which attitude is most expressive at the time.

As a candidate for the two-year term of Selectman, I thought I would take this opportunity to give you my impressions of activity in local politics.

First of all, it is a generally accepted (yet unspoken) rule that in a small conflict in the political arena should be kept at a minimum. There is nothing so damaging as personal attacks and "mud-slinging" in getting the support of the public. No one likes a "rabble rouser" and no one is asked to if their ideas are obviously unfit or can't be applied constructively for the benefit of the town's members. That's possibly why participation in town affairs is not high. Conflict doesn't have social appeal, especially if the result is alienation.

A second point worth mentioning here is the "Orator" image a candidate may be handed in the course of his campaign. "He may be a brilliant speaker but there is nothing in his words but letters," is an example of how some candidates come across.

It does seem possible that if a politician just spends his time doing a lot of fast talking he's not going to be too effective, at least not in politics. I am inclined to agree with this and hope that by writing this letter and by being moderately vocal, I'll soon be returning to quite a few people with things on their mind. Listening is my first preference.

It would be an unwise move in my position for me to pretend to know all the problems of the citizenry, but you the citizens do. In the course of the next few weeks before the elections I hope to hear from those who have constructive suggestions to make in relation to town affairs or who are having problems that they feel should be dealt with in the future by the town Selectmen.

Remember: Selectmen's meetings are open to the public.  
Sincerely,  
Ross Timberlake

## PARTY HELD MONDAY FOR SENIOR CITIZENS

The kind women of the United Methodist Church were surely inspired when they hosted a party for Senior Citizens. Many of us were victims of mid-winter tedium and invitations to a Valentine luncheon were accepted with alacrity.

The Methodist Church dining room, warm and cheerful, where long tables were laid with Valentine favors and heaped plates of home made rolls was buzzing with the happy and expectant chatter of 40

Chairman Gary Fuller of Mt. Abram Ski Slopes has announced that the ski area will host the second in a series of three Hot Dog Free Style Stunt Jumping Meets on Washington's Birthday, Feb. 19. The first match, held Jan. 14, brought out 36

The event is slated to begin at 1 p. m. and all competitors must sign at the Ski School desk in the lodge no later than 11 o'clock on the day of the match. An entry fee will be required. The event will be divided into three age groups, 12-15, 16-20, 21

## CO-OP CORNER

by Suzi Redman

Pierrette Lamontagne, a junior at Telstar, participated in the Nurse Aide Training Program at Rumford Community Hospital. She is the daughter of Mr. and Mrs. "Sam" Lamontagne of Bethel.

Pierrette worked on medical, surgical, maternity, pediatrics, and physical therapy wards. Some of the things she learned were how to admit a patient, bathe, feed, and chart a patient's progress, and how to treat a dying patient. Other basics were taking temperatures and respiration. The nurses took time to sit and talk, and get to know their patients.

The nurse aides graduated from the program Jan. 31. They celebrated by having dinner at the Sodorbury Inn, then going back to Telstar to receive their pins and certificates. The girls presented their instructor, Mrs. Makin, with a decorated cake and a scroll with a poem inscribed.

Pierrette likes the Co-op program, and thinks that she will participate in it next year. She does not plan

Pierrette Lamontagne

to continue for the remainder of this school year.
